

# Bears Stopped by West Perry

by John Middlekauff

Northern's basketball team made the trip to West Perry Tuesday evening (1/12) to take on the host Mustangs. In a tough ballgame, the Polar Bears were outscored in three of the four quarters as West Perry notched a 71 to 52 victory. The Mustangs are on a roll, and one that has taken them right into the heart of a very tight Division III race. Northern, while still learning, comes in a position to do things with a victory but just could not pull it out. Of Northern's 52 points, 41 of them came from Chris Florio and Matt Mehring each who scored 15 Northern also got help from Joe Fox (9 points), and Rick Grimm (8 points) in a losing cause. Bret Thebes led West Perry with 17 points, but from the

Northern side it must have resembled Chris facing the Indians as not less than eleven players figured in scoring for the Mustangs.

Northern is now 1-1 within the Division, and 1-7 overall. Next up for the Bears will be a non-division encounter at home against Mechanicsburg before hitting the road with five straight away games, beginning on Tuesday (1/14) at Union Hill. The Bears still have a great chance to pick up some wins in these next few games, so it should be interesting.

# Polar Bear Grapplers Splits Pair

by John Middlekauff

Whoever said that things are likely to get worse before they get better, must have had Northern's Wrestling team in mind.

Looking to rebound from a crushing defeat by the Cedar Cliff Colts, followed by a surprising loss to Big Spring, the Polar Bears ran smack-dab into Sumner's who unceremoniously dominated them 41-8. Northern got a 3-0 victory at 117 lbs. by Joel John, a Jerry Kuehn 12-6 verdict at 135 lbs., and a 2-2 draw from Chris Bentley for all its points! That was it! In other words, five other matches were won by one or two points by the Blackblacks, which shows that Northern was basically in the match despite the score.

On Saturday (1/13) the Polar Bears played host to the tough Patriots of neighboring Red

Land, coming off a less than spectacular performance the last three times out, Northern broke out of its self imposed slump by knocking off Red Land 37-25.

The Bears got well in full one, as they picked up a strong technical fall from Chad Rosenberger at 119 lbs., plus from Mike Vaughn (135) and

Kevin Kuehn (151) to turn back the determined Patriots.

Next up for Northern Wrestlers will be a Division I clash with Chambersburg (Home - 1/18) and then Blue Mt. rival New Oxford (Home - 1/20). It is interesting that these two teams are the next opponents for Northern, as both met each other

the same day Northern hosted Red Land, with Chambersburg being out a 29-27 decision. Both should give Northern tough competition as the Bears look to get back to their early season successes. There is plenty of season left for Northern's wrestlers to make a lot of noise in Division I.

# Mechanicsburg handles Polar Bears

by John Middlekauff

In most athletic contests, how you start or get going in the beginning of an event usually determines how the final outcome will be determined. The Northern Bears got off to an absolute horrible start and lost at home Friday night (1/12) to the Mechanicsburg Wildcats 47-32. Truthfully, the Wildcats weren't all that inspiring, but they had more than enough to hand Northern its eighth loss (overall) of the year. The Polar Bears could only dig the nets for five points in each of the first two quarters, as Mechanicsburg built up a 22-10 half-time lead. While Northern was able to double its offensive output in the second half, it was not enough to overcome the Wildcat's lead.

The Bears were led, once more, by Chris Florio who had a game-high fourteen points. Matt Mehring added the cause with ten points of his own, but it wasn't enough. Mechanicsburg, for the second time this year, was able to put a blanket over Joe Fox, limiting him to just three points, and really keeping him out of the picture.

Northern will head over to Camp Hill Tuesday (1/16) night to take on the Lions. Camp Hill is having the kind of season Northern experienced last year, to this point they have not won a game! Enough said!

WEBSTER'S WORD HISTORIES (Morton Webster Inc. \$14.95)  
THE ROOTS OF ENGLISH, by Robert Claiborne (Times Books \$18.95).

What's in a word? Far more than most persons probably realize. The beauty of the English language (the most widely used in the world), its origins, and meanings, generally are overlooked by a population satisfied to get by on a minimal usage sufficient to make themselves understood.

Fortunately, Yankee lexicographer Noah Webster and his philological successors have kept an interest alive for those to whom speech is more than just a guttural method of communication. "Webster's Word Histories" is just the latest, and an extremely fascinating, tracing of the beginnings of the common and not so common words we use. And not all the origins are rooted in ancient Greek and Latin. The word "goon," for instance, signifying either a simpleton or a terrorist thief, first appeared in the 1920s in the comic strip "Thimble Theater" forerunner of "Popeye." That is merely one among the more than 1,500 informative inserts in these "Word Histories."

Mr. Claiborne, author of numerous books on the English language, delves more into the ethnic background of our language. His etymological genealogy of core combinations from the Indo-European, Germanic, Romance, and Old English that provide the bases for so many seemingly unrecognizable yet similarly derivative words, is well-informing.
